INSIDE INFORMATION – PROFIT WARNING

This announcement is made by Famous Tech International Holdings Limited ("**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited ("**GEM Listing Rules**") and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board ("**Board**") of directors ("**Directors**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review and analysis of the latest available unaudited financial information of the Group, the Group is expected to record a net loss of approximately HK$6.5 million for the six months ended 30 June 2026 ("**2026 Interim Period**") as compared to the net loss of approximately HK$6.3 million for the six months ended 30 June 2025 ("**2025 Interim Period**"). The expected loss for the 2026 Interim Period was primarily due to the combined effects of (i) segment profit of the software business of the Group of approximately HK$3.3 million (2025 Interim Period: approximately HK$5.5 million); (ii) segment profit of the securities investment business of the Group of approximately HK$1.0 million (2025 Interim Period: loss of approximately HK$0.5 million) which was primarily attributable to the net realised and unrealised gain on financial assets at fair value through profit or loss of approximately HK$1.0 million (2025 Interim Period: loss of approximately HK$0.5 million); (iii) segment loss of the corporate management solutions and information technology contract services business of the Group of approximately HK$3.1 million (2025 Interim Period: approximately HK$3.2 million) which was primarily attributable to the keen competition in the I.T. industry and the impairment loss on goodwill of HK$2.6 million (2025 Interim Period: HK$2.3 million); (iv) segment loss of the business-to-customer online sales platform and business-to-business product trading business of the Group of approximately HK$0.3 million (2025 Interim Period: approximately HK$0.4 million); and (v) a slight increase in other corporate expenses to approximately HK$7.6 million (2025 Interim Period: approximately HK$7.3 million).

As the Group is still in the process of preparing and finalising its unaudited consolidated financial results for the 2026 Interim Period, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the information currently available. It is not based on any data or information that has been audited or reviewed by the Company's auditors or the audit committee of the Board. Further information and other details of the Group's financial performance for the 2026 Interim Period will be disclosed in the forthcoming interim results announcement to be published by the Company in due course.
